UPDATE: Changes to lounge access at LAX

We're pleased to let you know about some exciting developments happening at Los Angeles Airport (LAX). For the last few months our customers departing from LAX have had shared use of both Air New Zealand's and Virgin America's lounges, while our fabulous Virgin Atlantic Clubhouse in Terminal 2 is being built (opening in Spring 2015).

Air New Zealand will be moving terminals this week so that means from 3 December 2014, we'd like to invite all Upper Class customers and Flying Club Gold members to take advantage of the Virgin America Loft lounge.

The Loft is located through security at Terminal 3, a short walk down the corridor (less than 10 minutes) from our check in at Terminal 2.

When it's time to depart the Loft, customers will be taken by bus (around 5mins) back to T2 to board their flight. Please note that customers need to arrive for check in at least 90 minutes before their flight to be invited to visit the Loft.

Thanks for bearing with us as we prepare for a really exciting 2015.

If you have any questions about this, please contact Sales Support at sales.support@fly.virgin.com or on +44344 2097705.
