Withdrawal of codeshare agreement with South African Airways

Update: Please re-issue tickets to include SI remark

We need to let you know that our codeshare agreement with South African Airways will cease from the 27 September 2015.

We are currently rebooking all passengers on the cancelled codeshare flights onto the SA operating flight.

Key Points:

- Passengers booked on flights for travel up to and including the 26 September 2015 are not affected and new bookings may still be made on VS*/SA codeshare flights for travel up to the 27 September 2015.
- Please remember to promote this service as normal until the termination date.

Any tickets issued after this time, will not be valid and passengers will be unable to travel.

For ticketed bookings please re-issue the ticket and ensure the SI field is updated with the following information:

SI VS INVOL RE-ROUTE CODESHARE TERMINATION
