Virgin Atlantic Stop Press 840

UPDATE: Worldspan users only - Manual update to fare basis required for child discounts.

In addition to our recent [Stop Press 829 - APD updates for children up to 16 years and new coding for child discounts](#), we have an additional update for **WORLDSPAN users only**.

We'd like to remind you that at fare quote stage for new bookings, and ticketing stage for existing bookings, the new child coding below is **not automated**.

If you have tickets for young people, the fare basis will need manually adjusting to add 'Y' at the end for Leisure Nets tickets and a Ticketed Designator of 'YP' added for Published fares.

New coding for child discounts – effective immediately

Since the introduction of the new exemptions for children under 16yrs we have updated our child discount coding to show a new age range of 12-15 years, which will be charged at 100% of the adult fare with a new character/ticket designator to represent these passengers.

Published Fares = Ticket Designator IN/CH or YP

Add 'IN' for infants, 'CH' for children 2-11 and 'YP' for young person's 12-15 in the ticket designator field e.g.

XLXGB/IN

XLXGB/CH

XLXGB/YP

Leisure Nets = Fare Code of I/C or Y

Add 'I' for infants, 'C' for children 2-11 and 'Y' for young person's 12-15 in the fare code field e.g. for seat only

XLXGBI/SO10

XLXGBC/SO10

XLXGBY/SO10

If you require any specific entries for the above please contact Worldspan GDS directly.

For any other questions, please contact Sales Support at sales.support@fly.virgin.com or on +44344 209 7705.
