## Virgin Atlantic Stop Press 856 UPDATE

### Manchester Airport 'Escape Lounge' Closure

We need to let you know that from the 10 January 2016 Manchester Airport Group will be refurbishing their 'Escape Lounge' which we would normally invite customers to use before their flight.

The refurbishment is due to last 15 weeks and unfortunately, during this time we are not able to offer lounge access on Virgin Atlantic flights departing Manchester.

During this period our airport team will provide customers with a voucher to use at a selection of restaurants and bars in the terminal.

We hope we'll be able to invite customers back to the updated lounge soon.
