## Virgin Atlantic Stop Press 862

### UPDATE: Zika Virus in Jamaica

Since we sent you Stop Press 861, advising that there are reports of an outbreak of Zika virus in Mexico, Barbados and South America\*, we need to let you know that there are now reports of an outbreak in Jamaica.

Please refer to previous Stop Press 861 for our policies regarding Rebooking/Rerouting or Refunding.

We're closely monitoring reports of cases of Zika virus. The World Health Organisation doesn't currently advise against travel to these destinations and the latest advice can be found on The World Health Organisation and the UK Foreign and Commonwealth Office websites:
