Peak Season Travel Reminder

We wanted to remind you that as our Peak Season travel period is approaching, now would be a great time to get in touch with your booked passengers and ensure that they are aware of all the Inflight services they can receive when travelling with Virgin Atlantic or Delta Air Lines this summer.

If you have booked passengers travelling next week, please make sure they've allocated their seats, ordered their children's/special meals and booked any special assistance they may require.

Detailed information on what is available on our flights can be found here:

We would also encourage you to advise customers of the benefits of online check-in and printing Boarding Cards at home prior to arriving at the airport to ensure a smooth and stress free experience.

If you have any questions about this, please contact Sales Support at sales.support@fly.virgin.com or on +44344 2097705.
