

Virgin Atlantic Stop Press

Stop Press 892 - UPDATE: Implemented Interline (MITA-P) with Vistara (UK).

Please be advised that Virgin Atlantic Airways (VS) has implemented an interline agreement (MITA-P) with Vistara (UK). This is not an IET (ticketing) agreement, but defines the IATA conditions including the through-tagging of baggage and minimum connecting times for passengers connecting from one airline to another.

Virgin Atlantic has good connections onto their BOM, AMD & HYD services.

We have filed the following fares which can be booked with immediate effect:

- **LON-VS-DEL-UK-BOM/AMD/HYD**

Hahn Air (HR) will be the ticketing carrier for these itineraries. Please do not ticket these itineraries on VS or UK ticket stock.

If you have any questions about this, please contact Sales Support at sales.support@fly.virgin.com or on +44 (0)344 209 7705.
