## Virgin Atlantic Stop Press 896 – Schedule Change – Summer 2017

We're aware of changes that have recently been made to some customers' 2017 bookings with us.

The changes are limited to a small number of flight routings, between LHR and JFK, EWR, BOS, IAD, MIA, SEA and DXB. Near-term travel is not affected and the changes are contained to date ranges in our summer 2017 schedule .

We have a good understanding of the changes and are in the process of reinstating original customer itineraries. We expect that a large majority of the changes will be reversed today (Sunday 18<sup>th</sup> December). You may notice some changes to flight availability as we action these plans.

We apologise for any confusion caused by these changes, but ask that you please bear with us and don't make any further changes to customers' bookings, while we action our plans to reinstate original itineraries.

We'll keep you up to date on our progress as we work through this. Thanks in advance for your patience.
