Virgin Atlantic Stop Press 898 UPDATE Schedule Change – Summer 2017 – Resolution in progress

We're pleased to let you know that we've successfully reinstated the majority of your customers' flights to their original dates.

To complete the process, our final updates will be on the flights below:

Destination	VS Flight No.	Date Range *
JFK	VS 3/4/25/45/46/137/138	1 Apr – 24 Oct

* Not every day in the date range is impacted.

We have also been able to re-open availability on the VS 25/45/46/137/138 flights. Therefore, if you wish to re-accommodate your affected customers to their original flights yourselves, you can now action this through your GDS.

Please note:

- Pre-assigned seats on the above flights will need to be re-booked via your GDS or through My Booking on the Virgin Atlantic Website <http://www.virginatlantic.com>.
- You'll need to reissue your customers' tickets for the above flights.

We intend to have completed all final updates for the above flights by Thursday 22 December.

Thank you again for your patience and support while we resolve this matter.

If you have any questions about this, please contact Sales Support at sales.support@fly.virgin.com or on +44344 2097705.
