Virgin Atlantic Stop Press 914

Global ADM Policy

We need to let you know that we have made some amendments to the ADM Tariff effective 15 March 2017. This is to ensure the Tariff is in line with Virgin Atlantic's current business practices.

The updates have been outlined below:

- Incorrect/missing dealcode to now include ticketing designator.
- Removal of fee relating to VMPD/VMCO as this is no longer supported by IATA.
- Fee added for invalid name correction, as per recent communication of Name Correction Policy on Stop Press 907.
- Updated details for vsflyinghub and Virgin Atlantic Sales Support.
