St Lucia International Airport Service Charge Increase and New Airport Development Charge

We need to let you know St Lucia International Airport Service Charge (KS) tax will increase and will apply from 1 April 2017.

The KS tax charge will be increased from \$25 to \$63.

This will be effective for tickets issued on/after 1 April 2017 for travel on/after 1 June 2017.

For all bookings made prior to 1 April 2017 use the original tax of \$25. Bookings made thereafter will be subject to \$63 KS tax and must be collected and shown on the ticket.

We would also like to advise that a **new** Airport Development Charge (ADC) Tax (J1) will be implemented from 1 April 2017 for travel on/after 1 Jan 2018. This charge will be \$35.00 and must be collected and shown on the ticket.

FAQ

Will children be exempt from the ADC?

Lap infants or children under the age of 2 are exempt from the ADC, however ticketed children from age 2 are required to pay the ADC.

Will direct transit passengers have to pay the ADC?

No, passengers on an aircraft that lands in UVF and departs for another destination without having to disembark the aircraft will be exempt from this charge.

All ticketed bookings must show the correct taxes to avoid any ADM's.
