VSbulletin 083 – Economy Delight Purchase Options Update Exit the U.S.

We need to let you know that DL-marketed/VS-operated Economy Delight fares will now price exit the U.S. The original pricing functionality was suspended in July 2018 due to confusion in the market that a customer was purchasing a VS Premium product.

When selling VS Economy Delight in the GDS, please keep the following in mind:

- DL-marketed/VS-operated flights sold in W class = VS Economy Delight
- VS-marketed/VS-operated flights sold in W class = Premium

Economy Delight fares continue to be available for purchase via VS-marketed/VS-operated flights

If you have any questions about VS operated flights, please contact Sales Support at us.salessupport@fly.virgin.com or on 1-800-862-8621.
