We need to let you know about some changes we are making to our booking classes.

Effective 20 September for travel on or after 5 October

VS marketed, DL operated flights:

V inventory will now be **X inventory**

Effective 30 September for travel on or after 5 October

VS marketed and operated flights

V inventory will now be **X inventory**

During this period of change please make sure to note that:

Ticketed bookings

- Booking class changes will be updated, and affected bookings should be placed on your GDS queue.
- For VS marketed, DL operated flights; you will need to reissue the customers' ticket as an INVOL class change.
- For VS marketed and operated flights; bookings will be re-synced automatically by Virgin Atlantic.
- All seat assignments will remain unchanged.

Unticketed bookings

- Where the V class fare has been stored; you will need to manually build as per GDS guidelines to issue the ticket in X class.
- All seat assignments will remain unchanged.

Itinerary Changes

For voluntary itinerary changes please refer to the original fare basis historic fare rules.
