- First VS93/ 94 operation at Terminal 4 will be on Tuesday, 14 November 2017.

Terminal 4 offers an enhanced experience for our customers. As a brand new terminal it is bright and spacious, offering a wide variety of retail, food and drink outlets. The new terminal features wider corridors and more seating in the boarding areas, promoting a more comfortable and relaxing departure experience. And there will no longer be a requirement at this terminal to complete Customs forms, making the journey through Immigration and Customs more seamless.

A brand new lounge will open in Terminal 4 in Spring 2018. In the meantime, Virgin Atlantic Upper Class passengers and Gold Card customers will be offered vouchers that can be redeemed in any of the airside restaurants.
