## Virgin Atlantic and Delta Air Lines VSbulletin 038 – Delta Comfort+ update

We need to let you know about some changes to the way Delta Comfort+ fares will be offered for travel originating in the UK.

Since introducing Delta Comfort+ fares in the UK last year, we established that limitations within the third party display means that the fares were offered alongside stand-alone 'Premium Economy' products which we know has caused frustration.

Based on feedback from our partners, we have made the decision to remove Delta Comfort+ fares from third party sale, for itineraries originating in the UK. This change for Delta Comfort+ fares origin UK is effective from 8 February 2018.

Customers wishing to purchase Delta Comfort+ should book a Main Cabin fare in the usual way, then navigate to [delta.com](http://delta.com) or call UK Delta Sales Support or Delta Reservations to book Delta Comfort+ as an ancillary seat product.

For more information please visit the Delta Comfort+ Product Page on [Delta Professional](#).

If you have any questions about this, please contact UK Delta Sales Support on 0800 783 0747 or Email [SalesSupport.uk@delta.com](mailto:SalesSupport.uk@delta.com) or [sales.support@fly.virgin.com](mailto:sales.support@fly.virgin.com) or on +44344 2097705.
